Announcement of New Products

Brass Car Sides is pleased to announce the release of HO and N-scale photoetched brass car sides for the Union Pacific-Chicago & North Western-Wabash "Western" and "Blue" series 12-4 sleeping cars.

#173-69 UP/C&NW "Western" and Wabash "Blue" 12-4 ACF Sleeping Car HO-scale sides \$33.75
#173-569 UP/C&NW "Western" and Wabash "Blue" 12-4 ACF Sleeping Car N-scale sides \$23.75

The 23 cars in these two series were built by American Car & Foundry in 1949-50 to Pullman Plan 9004 and were originally owned and named as listed below. In 1965 UP commissioned Pullman-Standard to rebuild all of its cars plus one Wabash car to 11-bedroom "Sun" sleeping cars, Pullman Plan 6009.

C&NW: "Western Frontier" and "Western Peak" (2 cars)

Wabash: "Western Sunset", "Western Lake", "Western View", and "Western Scene" (4 cars)

UP: "Western Adventure" through "Western Wonderland" (11 cars)

Wabash: "Blue Boy" through "Blue Skies" (6 cars)

The brass sides include the original short skirts, as illustrated above. The HO sides are sized to match the Walthers *UP Streamliners* "Placid" series sleeping car bodies and may also be easily used with our #173-101 Basic Body Kit. The N-scale sides are designed to be used with the American Limited Models Core Kits. Delivery is expected in late October of 2010.

Please order through hobby shops or directly from Brass Car Sides, 715 S. 7th St., St. Peter, MN 56082. Please add \$4.50 shipping for direct mail orders. See our website at www.brasscarsides.com. Send a two-stamp SSAE for our catalog and bulletin.
